

**13 – 14 AUGUST**  
**12PM TO 5PM**

**EBURY EDGE,  
43 EBURY BRIDGE ROAD,  
LONDON, SW1W 8DX**

City of Westminster

City  
for All

## Return of Beach at the Bridge Part II

After such a successful turnout and great first event, Beach at the Bridge returns to Ebury. Heaps of sand will be back in, as we recreate the seaside on the Estate. With sandcastles and ice cream present and in full flow, you won't need to travel far this Summer to experience a holiday vibe.

## An opportunity to meet your local businesses

Edge Fest will give you the opportunity to meet the local entrepreneurs who currently call Ebury Edge their home and are excited to share their experience and creations with you.

## Clay Habitat's pottery masterclass for all

Clay Habitat will be running pottery classes which will be led by their resident ceramic makers and artists. Come along to master your pottery skills.

## Art at the edge

If you have a keen eye for art and crafts or partial to a drawing or two, then come on down and show your creativity at Edge Fest's art workshops.

## Food and drink provided

Selected traders will provide food, and Fat Macy's will have soft drinks on hand to quench your thirst. **If you are an Ebury Bridge Estate resident or returning resident, on arrival you will be given a wristband for free food and drink collection.**

## Yoga for the youth and hula hooping

Yoga for children, hula hooping for all and juggling classes - you will never find yourself at a loose end at Edge Fest. Experienced teachers will provide the energy on the day.
